Privacy policy

Introduction

We attach great importance to the protection and respect of your data and therefore to your privacy. In this privacy policy you will find details of the data we process and for what purpose.

Collection of personal information

We collect the following information:

- First Name
- Last name
- Email address
- Phone number

The personal information we collect is gathered through forms and through the interactivity established between you and our website.

Log files and cookies

We attach great importance to the protection and respect of your data and therefore your privacy. You will find in this privacy policy the details of what data we process and for what purpose.

We collect certain information by means of cookies. This is mainly the following information: Visited pages, connection time, device category, Operating System /Time and day of connection, source of connection.

Applications, Forms and Interactivity

Your personal information is collected through forms, namely:

- Contact form
- Support form

Right of opposition and withdrawal

We are committed to offering you a right of opposition and withdrawal of your personal information.

The right to object is the possibility offered to Internet users to refuse that their personal information be used for certain purposes mentioned at the time of collection.

The right to withdraw is the possibility offered to Internet users to request that their personal information no longer appears, for example, in a mailing list.

To exercise these rights, you can contact: contact@nicolas-dmg.fr
Address : 12 rue François Villon, 57150, Creutzwald, France

Right of access

We commit ourselves to recognise a right of access and rectification to the persons concerned wishing to consult, modify or even cancel the information concerning them. The exercise of this right will be made: 12 rue François Villon, 57150, Creutzwald, France
Email : contact@nicolas-dmg.fr

Security

The personal information we collect is kept in a secure environment. The people working for us are required to respect the confidentiality of your information.

To ensure the security of your personal information, we use the following measures:

- Access management
- Specific staff authorisations
- Regularly changed user IDs and passwords.

We are committed to maintaining a high level of confidentiality by incorporating the latest technological innovations to ensure the privacy of your transactions.

However, since no mechanism offers maximum security, there is always a degree of risk involved when using the Internet to transmit personal information.

Legislation

We are committed to respecting French legislation.
